Easter Break

Oakwood ISD will be closed for Easter Break on April 6 & 9, 2007.

Elementary Students Show Animals at Leon County Livestock Show

Trey Minter, 3rd, shows his Market Swine.

Oakwood Elementary goes to show...

Morgan Mulson, 3rd, shows her Market Swine.

Panther Pride!

These Kindergarten students are proud of their work!

Pre-K students celebrate Dr. Seuss' birthday.

Pre-Kindergarten News

Easter is just around the corner. We are planning an Easter egg hunt at school. The hunt will be at 2:00 on April 5, 2007. We will only be allowed nutritional food item, so use your brains and let's think of some neat snacks for the party. Also every student needs to bring 10 plastic eggs filled with wrapped candy. If you have a sibling that is planning on hunting, please bring the same for them.

-Mrs. Agapiou

Kalan and Caidenn are enjoying center time.

Kindergarten News

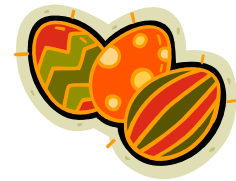

Easter is just around the corner. We are planning an Easter egg hunt at school. The hunt will be at 2:00 on April 5, 2007. We will only be allowed nutritional food item, so use your brains and let's think of some neat snacks for the party. Also every student needs to bring 10 plastic eggs filled with wrapped candy. If you have a sibling that is planning on hunting, please bring the same for them. We are working hard in

math on addition. Remember to practice your Read Well magazines 15 minutes a night.

-Mrs. Walker

"I made this for you..." says Isaiah Savage.

First Grade News

Miss Larkin's First Grade students are becoming more developed in reading. In the beginning of the year we started working in Harcourt books and switched to Read Well after Christmas Break. The units consist of great stories that touch on everything from science and social studies, to lessons on friendship. We also started checking out library books and have been striving to meet our Accelerated Reading goals. Parents, this is why it is

important for your child reads his/her book to you nightly. The more they read it, the more familiar they become with it, the more likely they are able to make a 100 on the A.R. test.

-Miss Larkin

First grade enjoys their AR Trip.

Second Grade News

We are planning an Easter party on Thursday, April 5, 2007. Each student needs to bring 10 candy filled plastic eggs. Please have your child bring their Easter baskets to school. If you are bringing a sibling to the party and would like for them to hunt eggs, be sure to bring them an Easter basket and send their candy filled eggs with the big brother or sister. Please send your candy filled eggs to school by Wednesday, April 4, 2007.

Please do not wait until party time to bring them. A note will be sent home for you to sign up for refreshments.

We are working hard on double digit addition and subtraction with and without borrowing or carrying. Also continue to study for our weekly reading vocabulary tests and our spelling tests. Continue working on telling time, and counting money. These have been studied, but we all need practice, practice, practice.

-Mrs. Rose Henson

Is it time to go home yet, asks Brandon Smith.

Third Grade News

Third grade recently went to the movie theatre to watch *Bridge to Terabithia* as an award for our TAKS Reading Results. Also, we went to the park for a picnic lunch, and enjoyed playing on the park grounds. Before we returned to school, we all enjoyed ice cream from Dairy Queen. We had a Great Day! All of our hard work has been paying off. We still have to take our Math TAKS test on April 17th, but we are working everyday to master our objectives.

Everyone should work in their study guides at home, and keep reading your library books to meet those A.R. Goals. All of your hard work will help you to be successful academically.

-Mrs. Lancaster

Fourth Grade News

Only about 35 more days of school!! I know the kids are ready for a break. Although it is nearly the end of school, we still have a lot of hard work to do.

Our math and reading TAKS are quickly approaching. We are continuously working on our math. We are learning new words and the kids love the little "TRICKS" to solving math problems. We are expected to read library books for 15 minutes every night. Please

remind you child of this. Thursday is the last day to meet AR goals for the 5th 6 weeks.

We are still taking multiplication tests every Friday, so remind your student to keep studying their facts.

If you did not get the note sent home at the beginning of the week, we need eggshells for an activity on Thursday. We also need NUTRITIONAL sacks for Thursday. Please contact me for a list of appropriate snacks. As always, thank you so much for your help.

In the pictures to the right, Cadillac, Escalade, and 300M groups get prepared to "Run Over the Math TAKS".

-Mrs. Wright

Fifth Grade News

Is it April already? Time flies when you're having fun! I am extremely proud of my class for doing a great job on the Reading TAKS Test. Congratulations to the fifth grade! They are currently working their hardest to prepare for the upcoming Math and Science TAKS Tests. I believe each and every student will succeed. My students are on the road to success.

-Miss Fry

*Frogs 'N Snails... That's what little boys are made of.
Sugar 'N Spice... That's what little girls are made of.
Mrs. Agapiou's Pre-K class poses for a picture.*

They are so innocent!
